

SYcD Eligibility Checklist for Referrers	
Customer Name:	
Area:	
Date referred:	
Referrer:	
Team:	

Scoring: **1 low** eligibility to **5 high** eligibility – the score needs to be **28** or above to be eligible.

Eligibility :	Score	Comments
Is the customer below FACs? - for example 5 if below FAC's 1 if above		
Consider the current support a person has –the less support the higher the score		
Is there a clearly defined outcome which meets the expectations of the project* – this can be small steps		
Short term mentoring as a starting point (tea and a chat)		
Remember the more needs a customer has the lower the score		
Consider - Medical Conditions (is the persons medical condition such that they would not gain from the project)		
Consider – medication (the person needs to be able to self-medicate)		
Consider - mobility needs - score 1 for high mobility needs etc..		
Consider - communication support needs if any - score 1 for high communication needs etc..		
Consider - Behavioural needs / risks if any		
Total Score

Project outcomes are for customers to maintain or regain their independence by having support from short to medium term volunteer interventions.

You need to **Consider** the customers situation and can they achieve a realistic outcome with the help of volunteers. **Priority** will be given to those customers not receiving any services.

The Service is aimed at supporting people with emerging social care needs that are below the Fair Access to Care Services threshold, and who currently have little or no support and may also feel isolated. The service will aim to facilitate inter-dependence and promote the value of being part of a community where people care about and look out for each other.
